

PESTICIDE USAGE WORK GROUP (2/26/18)

Form working group with decision-makers and experts from each agency to find a path forward; decisions will be elevated to the policy team members as needed.

Team members and a team lead will be identified by this Thursday.

Check in on methodologies and next steps in 2 weeks.

EPA will provide the malathion agricultural and non-agricultural usage report by March 31.

Deliberative Process / Ex. 5
